Welcome

Datuk Ong Kim Swee
Technical Director, FAM

Welcome to the Liga SupaRimau!

It is with immense pleasure that on behalf of the Football Association of Malaysia (FAM), we extend our warmest welcome to our grassroots league, the Liga SupaRimau presented by Boost Juice.

Grassroots football is one of the key pillars of FAM's F-30 Roadmap, as we believe that everyone should enjoy playing and learning about football at the grassroots level.

In May 2019 FAM launched the SupaRimau Charter as an initiative to align, support and promote the growth of grassroots academies in Malaysia. Part of this plan was to create a grassroots league which will provide a platform for grassroots academies to play matches in a safe, structured and most importantly enjoyable environment.

At the grassroots level, while winning is good, the emphasis should always be on participation and the love of the game. We should remember that this is always the main focus in developing our grassroots talent.

We believe that with your involvement and dedication to grassroots football through the Liga SupaRimau, you are helping to drive the development of football which will greatly benefit the future of Malaysian football.

Datuk Ong Kim Swee
Technical Director
Football Association of Malaysia

Welcome

Will Kucia

League Director, Maxim Events

It gives me great pleasure to welcome you to 2021 Season A of Liga Superimau, presented by Boost Juice!

Liga Superimau is the official grassroots football league of the Football Association of Malaysia. It is an all inclusive competition which will provide a structured development pathway for all children in Malaysia aged U6 to U16.

Liga Superimau will provide a unified set of rules and regulations aiming to give the same experience to all, regardless of which region they are playing in.

I would like to thank Boost Juice for joining us as the presenting partner of Liga Superimau. Their support allows us to create a platform where all grassroots players can develop their talent, and I'm looking forward to kicking off leagues across the country!

Lastly, I would like to wish all the players and teams the best of luck in the competition.

If you have any questions or queries please don't hesitate to contact me directly at my email below.

Many thanks,

Will Kucia

More details on how to register your players under the Coach Portal will be available when the player registration period opens.

Unless stated elsewhere, Liga Superimau, presented by Boost Juice will adhere to the following general rules, formats and guidelines:

- Competition formats, age groups and player age eligibility are as explained on pages 2, 3, 8 and 9 of the Liga Superimau Information Pack
- Each age category will have a maximum of 12 teams per league. If more than 12 teams are registered for an age category, the competition will be split into 2 or more divisions.

If the teams are still level, the following will be used to determine the league champions, in order:
 - Greatest number of goals scored
 - Least goals conceded

- If the field becomes unsuitable for play due to heavy rain, lightning or for any other reasons, the League Committee reserves the right to decide on the event or change the format of the event.
- In the event of a protest or dispute, the League Committee shall have sole jurisdiction in settling the matter.
- At any time and at its own discretion, the League Committee reserves the right to change or update the rules or formats. An updated list of rules can be found at www.ligasuperimau.my/rules
- It is highly recommended that teams obtain their own insurance cover before play. Neither Maxim Events Sdn Bhd or the Football Association of Malaysia (FAM) are responsible for any accident, injury or death that may occur during this league, and all teams enter at their own risk.
