Welcome

Will Kucia

League Director, Maxim Events

It gives me great pleasure to welcome you to Season C of Liga Suparimau, presented by Boost Juice.

Liga Suparimau is the official grassroots football league of the Football Association of Malaysia. It is an all inclusive competition which will provide a structured development pathway for all children in Malaysia aged U6 to U17.

Following two successful first seasons in 2022, we're excited to continue to expand Liga Suparimau across Malaysia. Season C will see planned launches in Kedah and Melaka in addition to our leagues in Penang, Perak, Pahang, the Klang Valley, Negeri Sembilan, Johor and Sabah.

As we announced earlier this year, all teams that signed up for Season B will be given automatic entry into season C as well as a chance to participate in the Liga Suparimau National Finals and Grassroots Festival which will be held from 10–12 December this year.

I would like to wish all the best to teams for the up and coming season. Please do feel free to get in touch with me if you have any questions.

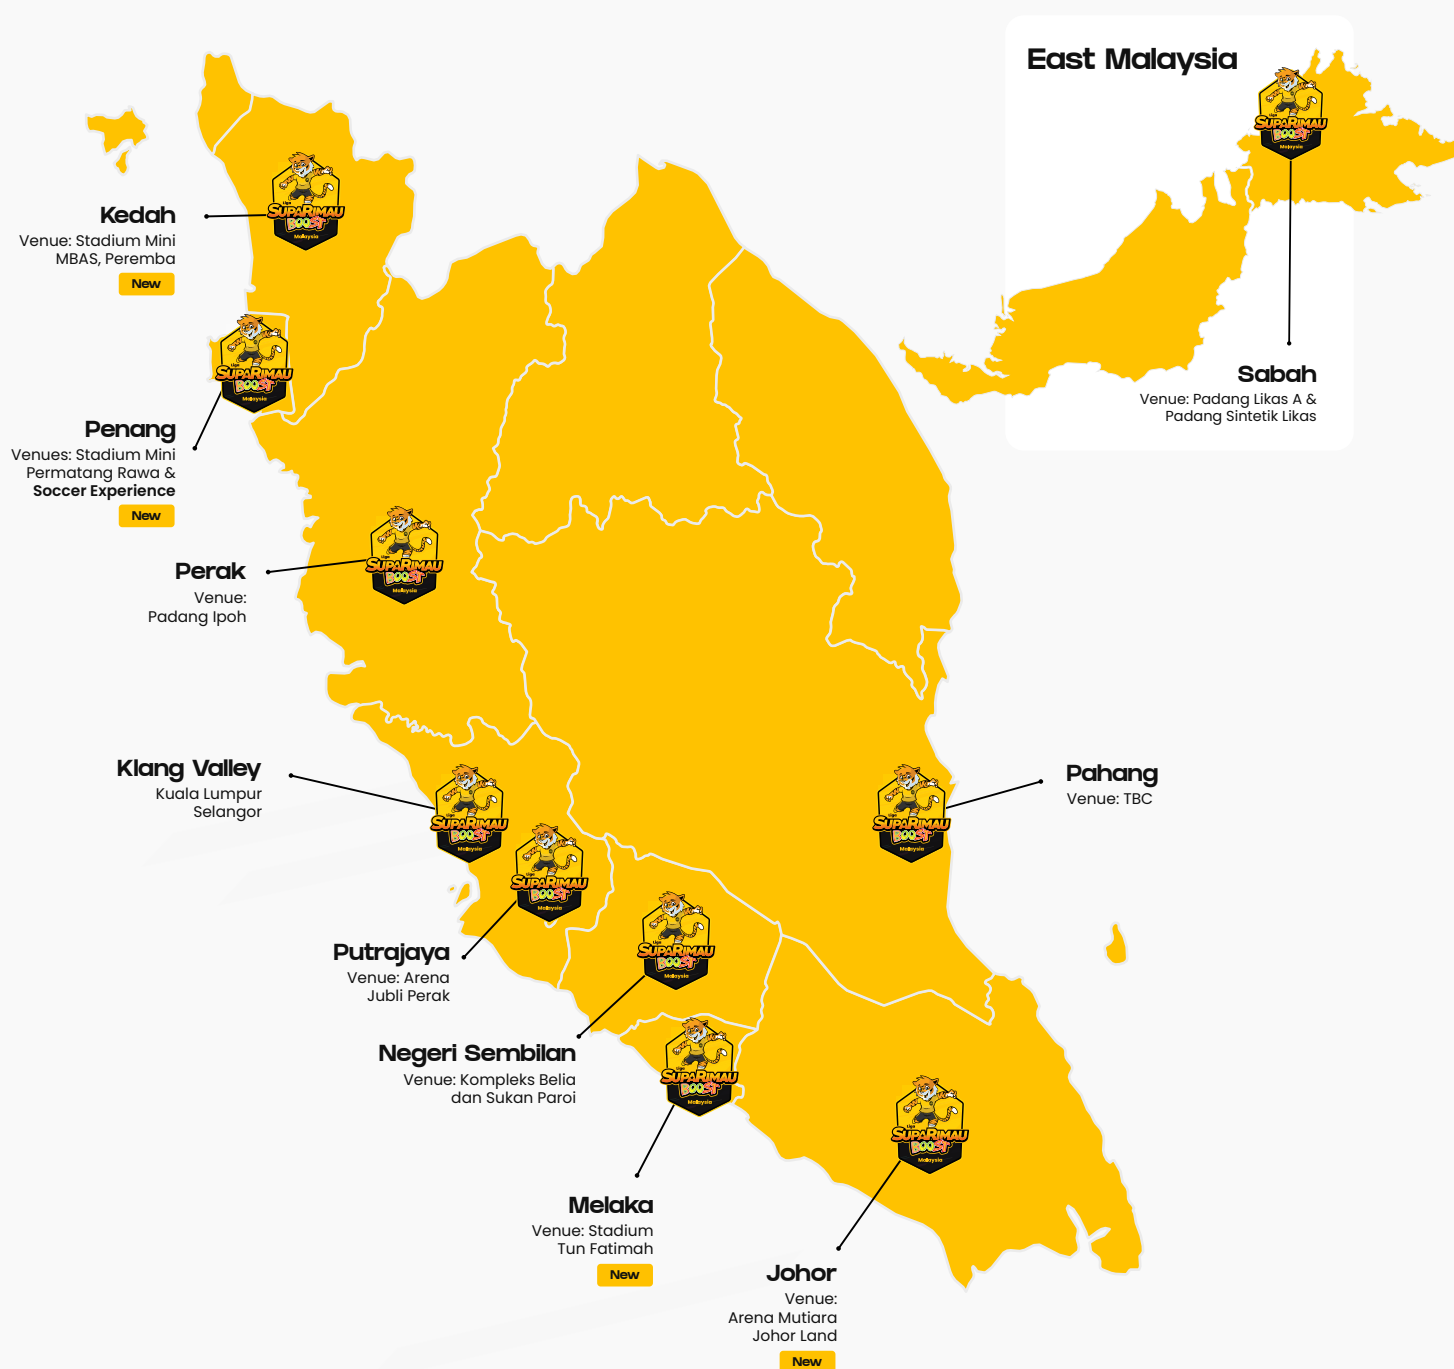

Many thanks,

Will Kucia

Divisions

To ensure matches remain balanced, if any state has more than 12 teams registered for an age group, teams will be split into 2-3 ability-based divisions. The groupings will be decided based on the following criteria:

- **Results from Liga Suparimau Season A and B**
If a team is new to the league they will be asked to share their most recent tournament/friendly results
- **Number of AT/PLD players registered in their squad**

Divisions are intended to match together teams of similar ability to aid player development and create good competition.
